The *Artist Exhibition Form* is a final list of the one to three works you wish to exhibit. Acceptance is based on quality and space available. Please type the following into your document after which you will respond to the proposed questions for EACH work.

*Student Name*

*Area of Concentration*

*Work Number (01, 02 or 03)*

*Title*

*Medium*

*Total number in work (if diptych or triptych)*

*Dimension of each work in inches (width x height) (depth if relevant)*

*Overall dimensions in inches (width x height) (depth if relevant)*

*Presentation (wall, free standing, pedestal) Computer Equipment Required (functional sound requires earphones for usage in the Main Gallery)*

*The College is only able to supply computer and or electronic equipment based on a supply and demand basis, with the requirements of functional teaching as the first level of supply. Students who desire digital equipment should make this element an early part of planning.*

Please type all information on one separate sheet and attach. Only typed forms will be accepted.

**Attention Digital Media, Digital Cinema, Animation and BFA Candidates needing pedestals and digital equipment:**

Additional pedestal and wall mount information is necessary to secure the professional finish of your final work. Please include a schedule for meeting with the Director of Exhibitions, Jennifer Sargent so that choosing and painting pedestals occurs at least two weeks before installation. You may reach Professor Sargent via email, [jsargent@mca.edu](mailto:jsargent@mca.edu), before this form is due. Planned dates will need to be included on your typed form to finish this step of the BFA process.

This form must be completed, approved and signed by the faculty representative in your area of major concentration.

The student will turn this copy in to Joel Priddy's faculty mailbox on or before **Wednesday, 24 February 2010**.

The time deadline is 4:00 p.m.
